A FEW WORDS FROM YOUR PRESIDENT... Jack Howes

Welcome to the 24th consecutive Annual C4 Convention, our 7th convention in Baltimore. Probably more to the point is that this is the 25th anniversary of the C4 club! Glad you are here, there is nothing like waiting all year for this convention and finally it is here. We have scheduled events, meetings, lectures and exhibits. Please refer to this program for times and locations for events. **We will have a special anniversary medal available at the club table in copper and silver. Ask about it.**

The C4 events (Social and Education) will be held in the Severn Room at the Sheraton Inner Harbor Hotel on Thursday night beginning at 5:00 pm. The Board of Directors Meeting will be held at 8:00 am Saturday in room 304 of the Convention Center and the Business Meeting will be held in the same room at 9:00 right after the BOD meeting. This room (304) is the same room as the daytime lectures on Friday and Saturday as well as the study group meetings. Please check at our table just to confirm the times and locations.

This year we are having a joint convention with EAC who will have a table next to ours with information and exhibits.

Do not forget to purchase your meal ticket for \$25 for Thursday night's dinner at our Club table, although they can be bought at the door.

Our co-sponsored auction with Stack Bowers is going to be another great event, being held on Friday in Convention Center (CC). Because of the large number of colonial coins in the auction this year there will be two parts. Part One will start at 11:00 am Friday and the Archangel collection to be auctioned starting at 6:30 pm Friday evening.

So please enjoy yourselves, get re-acquainted with friends, make new ones, hang out at our C4/EAC area and get to know your "management team" and maybe this is the year that you get more involved with your club. Please come to the business meeting Saturday morning at 9 in Room 304 of the CC as you will be introduced to your new officers that were recently elected. If you have any questions please stop by the C4 table and talk to board members and give us your comments. We can always improve on things. As always, I appreciate your confidence in our Board. We try to do our very best for the hobby.

C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

The Colonial Coin Collectors Club announces a 2nd printing of:

CONTEMPORARY COUNTERFEIT HALFPENNY AND FARTHING FAMILIES, 2ND PRINTING

By Roger Moore, Eugene Andrews, Robert Bowser, John Howes, John
Louis, David Palmer, Jeff Rock, Rickie Rose, Clem Schettino, and
Byron Weston

This monograph is the start
of an effort to organize and
bring structure to this area
of colonial numismatics: it
breaks down the vast
number of different varieties
into related groups called
Families. A Family of
contemporary counterfeits is
a group of coins that likely
came from the same minting
operation at about the same
time. Families are logical
groups that share one or
more of the following
attributes: dies, die making
punches, or similarities in
the design style. This
updated large format, glossy
hardcover, 294 pages and
profusely illustrated in color
will be available in July for
\$54.95 from **BARNES &
NOBLE, AMAZON BOOKS**, and other mass market retailers.

Contemporary Counterfeit Halfpenny & Farthing Families

By Roger Moore, Eugene Andrews, Robert Bowser, John Howes, John Louis,
David Palmer, Jeff Rock, Rickie Rose, Clem Schettino, and Byron Weston

This book is the start of an effort to organize and bring structure to this area of colonial numismatics.

SAINT PATRICK COINAGE: FOR IRELAND AND NEW JERSEY, by Sydney F. Martin, is available for \$95 for C4 members or \$125 for nonmembers of C4, plus \$7.25 shipping from bookseller Charles Davis.

In many ways this work is a collaborative effort, helped by many collectors who shared access to their St. Patrick collections for Syd to examine and photograph. The result is the first complete and illustrated catalogue of all known varieties in the series; unlike Syd's earlier three books, this one features color photographs. The 528 page book is hardbound, with color illustrations throughout of the different coin varieties examined, with dust jacket.

THE JOURNAL OF EARLY AMERICAN NUMISMATICS,
Christopher McDowell, Editor

The Journal of Early American Numismatics (JEAN) is a new research journal based on the former Colonial Newsletter (CNL) dedicated to the study of early American numismatics. Founded in 1960, CNL continuously published some of the most scholarly and seminal studies in this area of numismatics. Focusing on the study of the coinages produced by the states during the Confederation period of the United States, CNL also investigated a variety of other specie that the U.S.'s forefathers used in their daily lives.

JEAN expands the focus of CNL with contributions on numismatics of all of the Americas during the same time period covered by CNL, and is published as a bound scholarly journal twice a year in June and December.
